We work with time-sensitive shippers and receivers who demand that we get things right.

We understand what fresh means, and we stake our reputation on the level of dedicated service that we provide to our customers.

We're not confused about what we do. We move perishable loads. **Quickly.** And we would love to do business with you.

We are PBX Logistics Ltd. We specialize in providing expedited perishable LTL and FTL services **using team drivers.** As a result, we can provide the **fastest delivery times in the industry.**

We primarily service **Washington, Oregon, and California**, along the I-5 Corridor, as well as the **US Midwest and Eastern Seaboard.**

We also specialize in servicing the **California - Ontario/Quebec** lane, as well as from **Ontario/Quebec - BC.** We have daily FTL service available for expedited perishable loads using team drivers, for guaranteed freshness.

Fresh or Frozen, we can store it and move it to meet true just-in-time requirements. We would love the opportunity to show you how great of a job we can do.
